Ultra Natural

Are you sick of the hustle and bustle of 24th century life? Does the idea of living squashed up in a soulless spacestation leave you cold? Do you dream the idea of artificial aids, and hark back to the 'good old days'?

Do you want to live a natural life, shorn of all the fakery and artificial additions of modern life?

Then maybe our group might be what you are looking for. For a happy, simple, and easy going life look no further.

Ultra Natural - living life as it should be lived

Marb'olm Cruises

For all Earth people - prepare to get very jealous indeed.

Call Mount Everest big? Pahl! We've got the simply awesome Olympus Sun, standing over three times higher - the tallest volcano in the known universe!

And yes the Grand Canyon is very pretty and lovely but is no match for Valles Marineris, stretching over 3,000kml!

Choose Marb'olm for fantastic and life-affirming holidays on Mars.

Too ugly to get a boyfriend? Craving those film star looks? Dream of being beautiful, where guys fall over themselves to come over and take an interest in you?

Then dream no longer.

Using the most advanced cosmetic surgery techniques, developed in-house and unique to us, at Dr Ghislac we can offer you that dream.

Full cosmetic surgery service offered, from a simple nose job to a full face transplant, with over 2,000 faces to choose from.

FELLUCIA FX45

We are pleased to announce that Fellucia have offered us the chance to sell their FX45 engine package to private customers, in last season's specification. Very limited numbers available, contact us for details.

Looking for something a bit different? Then have a look at what we have got to offer. We are an official Gilbern service centre which means we can service your Gilbern to exacting standards you would expect, at competitive rates. We also have a number of pre-owned vehicles in stock, and in the case of racing spaceships, certifiable provenance with full papers. We are a company with full Galactic Motorsports Council accreditation to sell and service Formula X racing machines, so if you purchase such a machine from us you are guaranteed its' racing history.

Gilbern

2280 Eclipse Built for use by the government, so comes with large conference facilities. Serviced without consideration to cost and presented in first class condition. 1bn miles Offered at Cr 320,000.

2294 Star Master Stunning low mileage example of this fantastic spaceship. Only 2.4m miles in as new condition inside and out. Cr 790,000.

Formula X

2287 Sunstar Warp 2 A very rare early Formula X racer. Used by Sunstar in the 2287 racing season, one of only five teams that raced in the championship that year. Piloted by Chert l'erni to finish second in the championship with a race win on the single lap of Mars. Fully restored by Sunstar and recommissioned by ourselves and ready to run. This is a real piece of motoring history and a rare privilege to be able to offer for sale. Priced at Cr 35m.

2296 Japan Racing Jap E1 This actual spaceship is identical to the ship that was flown by Jason Stanton to finish second overall in the championship. The ship was never raced as it was built as a spare machine if the primary ship had problems. It has around 25 flying hours and is reported to be in fine mechanical condition. Offered at Cr 1m or may go to auction.
